The Reading List

Three books on people, presence, and power: the part of this business no model teaches. Read them in this order: first learn to read the room, then learn how you land in it, then learn how the room has always worked. Together they cover the soft skills that separate the analyst who gets staffed from the analyst who gets kept.

The Laws of Human Nature · Robert Greene — **2018 · Behavior**

Envy · Narcissism · Grandiosity · Defensiveness · Group dynamics · Reading people past what they say

The Charisma Myth · Olivia Fox Cabane — **2012 · Presence**

Presence · Warmth · Power · Body language · Managing nerves · Charisma as a trainable skill

The 48 Laws of Power · Robert Greene — **1998 · Strategy**

Court dynamics · Reputation · Timing · Leverage · Restraint · Historical case studies in influence

Take the 60-second quiz and see which desks are realistic for your profile.
